Provincetown Cold Storage Company,

Provincetown, Mass

Attention of Mr Snow,-

Dear Mr Snow:

Your recent favors relative to tax returns has been received and I have just had a conference with Mr Hill of the Massachusetts Tax Department relative to the Provincetown Cold Storage Company and we have agreed upon the figures and when I have compiled the same I shall be glad to forward the return together with an extra blank for execution by the officers.

I am enclosing herewith two blanks for the Massachusetts return to be filed by the National Weir Company. I believe you can make this tax out without any assistance but if you need help I shall be glad to have you call on me.

I shall send you the Provincetown return tomorrow and at that time I shall also be glad to advise you as to the dissolution of the National Weir Company.

Very truly yours,
