My Dear Sir

Your Letter of Feb. 25th in regard to the Patent
Wire Co record, and I trust you will
pardon me in explaining to you a little about
the business in which this trap is engaged and
it might have some bearing upon whether
I would care to make out a return.

This is a fishing concern and it does not
commence to do business until April of each year
and last year it only started for the 3 mos
April May & June. \$1047.00 and it has paid out for

Sevin and helped to carry on the business
up to July 1 1869.00 therefore you can see about
what the business is. I wish to do what is right
in the matter but it is no fun to make out
one of these returns. A Bill in Equity for the
dissolution of the Corporation was filed before Jan. 27th 1922
and the Certificate of dissolution filed with the
Secretary of State ^{of Maine} July 14. 1922
