

His Consulate
Boston

8 August 67

Dear Sir -

The B^o of Trade
have desired me to obtain
further information on some
points connected with Capt.
Atwood's services to the 'Lone
Star' -

Does he make any claim
for detention or deviation
of his vessel? or is the
mention of the fact merely
incidental to the narration
of the occurrence? -

What is the Journal of
the 'Cetacean'?

What the number of
its crew?
