Rounding the Turn

Fisherman's Beach, PROVINCETOWN, Mass.

August 12, 1874

Dump cart excursions to Race Point are becoming popular. Seats are placed longitudinally in the vehicles which are covered with awnings. The jolting is not such a serious objection as the motion over the sand hills is not sufficiently rapid to shake one up much. Such jaunts are invariably jolly, a good time being certain to occur when a visit is made to Mr. and Mrs. Cashman at the Light.
