

Race Point Road -- September 1913

1362

Just a sandy road at that time. Coast Guard Station in center  
 Taken from a little ahead of sign in picture at left.  
 We call this Sunset Hill.

---- August 1940 ----

Let's detour again and go out to the  
 Coast Guard Station at Race  
 Point. /

Here's a John R. Smith photo of the same scene about  
 1925. Summer cottages to right of the Station.
