PROVINCETOWN, MASS.

THURSDAY, NOVEMBER 24, 1955

While Monday's re-enactment of the Pilgrim Landing was going on near the Provincetown Inn, PBA pilots, John C. Van Arsdale and Tony Perreira took to the air to give Dune Poet Harry Kemp a buzz salute and to take this picture of the large area to be converted into a traffic turn-around which will eliminate eastbound traffic when completed. The Pilgrim band and audience are in the lee of the Inn at the upper right.
