ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

14 Center Street is a 2-story, 3-bay former sidehall dwelling. The front-gable roof has modillioned cornice with partial returns and paired brackets under the eaves. The main entry consists of a modern door; flat hood with modillioned cornice and end brackets. Similar trim above windows. Fenestration includes a large canted bay adjacent to door end on north façade with 2/2 and 1/1 DHS; 2/2 wood DHS elsewhere. A large 2-story addition on the rear accommodates multiple residential and commercial units. The addition is clad in wood shingles and has a roof deck above. Exterior steps access 2nd story entries. Fenestration includes 6/6 DHS windows with storms.

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.

Per 2004 survey: Interior renovation ongoing; currently houses the community radio station and other commercial and residential occupants.
