### ARCHITECTURAL DESCRIPTION

see continuation sheet

*Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.*

6B Pearl Street is a 1 1/2-story, 2-bay building; converted barn. The side gable roof has diamond shaped metal shingle siding. The main entrance is offset to north end of primary (east) façade. 4 grouped multi-light doors open to deck across this portion of facade. 4-light and 2-light windows are located in the south gable end.

### HISTORICAL NARRATIVE

see continuation sheet

*Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.*

According to the property owner, this building was recently renovated (c. 2002), and converted from a barn to a studio.
