

SCHOONER BOWDOIN

REAR ADMIRAL DONALD B. MAC MILLAN, U.S. N.R.

November 24, 1967

Mr. Robert Hancock
Town Hall
Provincetown, Mass.

Dear Mr. Hancock:

I want to thank the citizens of Provincetown, members of the Board of Selectmen and you for the lovely bouquet of flowers sent to me on my birthday. Such thoughtfulness by the people of my town means a great deal to me.

I shall always be proud of MacMillan Wharf. That wharf has many happy boyhood memories for me. Years ago when the Boston boat came to the dock, I was there to dive for pennies for my widowed mother, and as a boy, I played on fishing schooners tied up there. To be so honored now by having this wharf named for me by the people of Provincetown, my home town, has a very special meaning and I am most grateful.

Sincerely yours,

Donald B. Macmillan
