THE SCENES

ACT I: SCENE I - A kitchen. Evening.

ACT I: SCENE II - The same. Three weeks later.

----- FIFTEEN MINUTE INTERMISSION -----

ACT II: A Greek Island.

MARJORIE CONN: (*Shirley Valentine*) "In 4½ years I've been in 27 productions with 9 theatre groups from Hyannis to Provincetown. And I want to thank the wonderously creative and supportive theatre community on Cape Cod for providing a 'place' for me where it's OK to take risks."

SCOTT STORR: (*Director*) is making his directorial debut on Cape Cod with **Shirley Valentine**. He has worked chiefly as musical director and pianist for musical theatre productions, serving in both capacities most recently in Provincetown for Provincetown Theatreworks' production of **Working**.

BEVERLY WHITBECK: (*Stage Manager*) "I have a marriage of 23 years, 3 wonderful sons and work I love at the Provincetown Library. I've taken some chances and made some changes in my life and have hoped and prayed, like Shirley, that my family would be all right. They are and I am."

DIRECTOR'S NOTE

Shirley Valentine is a play about staying true to one's self, experiencing life fully and risking.

I'd like to thank the Provincetown Theatre Company for their confidence and faith in this production and Marj for her courage and tenacity.

Special thanks also to Beverly Whitbeck and the many volunteers who helped make our "dream come true."
